

# Exemplifi announces Certification as a Colorado based Small Business Entity

PALO ALTO, CALIFORNIA, UNITED STATES, November 18, 2022

/EINPresswire.com/ -- [Exemplifi](#) has been certified as a Small Business Entity by the State of Colorado. They received this certification based on their extensive work in providing effective digital solutions for multiple departments of the state of Colorado.

"It is a great feeling to know that the Colorado authorities recognize our work and the value we provide them in enhancing their digital presence, including website development, maintenance, and management" said Vinod Pabba, Founder of Exemplifi. "Some of the work that we have done for the state include the History Colorado and Encyclopedia Colorado Websites which have been the cornerstone in achieving this recognition from Colorado. "

"We built the websites keeping in mind the latest standards of [WCAG](#), accessibility, and SEO, which are major factors that affect every government website." he continued. "Our objective was to fulfill the state's need for a committed partner in building secure, visually appealing, user-friendly websites, and I believe we have delivered on that. "

## About Exemplifi

Exemplifi builds [enterprise websites](#) that deliver on the client's business and marketing objectives with the highest web standards.
