

# If A Veteran or Person with Lung Cancer Had Significant Exposure to Asbestos Before 1982 in Pennsylvania or Nationwide-They Are Urged to Call The Gori Law Firm-Compensation Might Exceed \$100,000- + VA Benefits

PITTSBURGH, PENNSYLVANIA, USA,  
November 28, 2022 /

EINPresswire.com/ -- The Pennsylvania US Navy Veterans Lung Cancer Advocate is urging a Veteran of the army, navy, marines, air force, or coast guard or a person with recently diagnosed lung cancer in Pennsylvania or anywhere in the USA to call The Gori Law Firm at 866-532-2106-if before 1982 they had substantial exposure to asbestos on the job. Most people like this are not aware the \$30 billion

dollar-asbestos trust funds were set up for them too. As a result, most people like this never get compensated. Financial compensation for a person like this might exceed \$100,000.

The Advocate says, "For a person who now has lung cancer, and who had significant exposure to asbestos at work before 1982-it is incredibly important they recall as much as possible about how they were exposed to asbestos. It is this very important information that will become the basis for a compensation claim as the lawyers at The Gori Law Firm are always to discuss at 866-532-2106. Every year more families trust The Gori Law Firm when dealing with a loved one's asbestos cancer diagnosis than any other firm in the nation." <https://GoriLaw.Com>

For a client of The Gori Law Firm who is a Veteran with asbestos exposure lung cancer or mesothelioma-the lawyers at the firm will prepare the needed paperwork to try to qualify the

Veteran for VA benefits. This service is free to clients of The Gori Law Firm. The intent of this service is to create additional compensation for their client. For more information a person with recently diagnosed lung cancer-who had routine exposure to asbestos in the military or on the job-before 1982-please call The Gori Law Firm anytime at 866-532-2106. <https://GoriLaw.Com>
