"While I was a teacher and in graduate school, I was inspired to start the creation of My One Wish, helping to bring children's imagination to life. The idea of making one wish come true with the toss of a coin and thinking about the endless possibilities created an amazing platform for this special story," said Ade. "After having children of my own and witnessing what brings them joy, I was encouraged and inspired to expand on the beginning of what is now My One Wish."

"My One Wish is a beautifully illustrated children's book that inspires readers to use their imagination in the most magical way. Parents and kids will love the adventures that lie between the covers of this heartwarming story." —Stacy A. Padula, award-winning children's book author
