EINPresswire.com/ -- [Erin Flynn](#) has been creating personalized jewelry for over 20 years. Her initial collection was sold in neighborhood retailers and featured in national pop culture and fashion publications like People, US Weekly, Southern Living, and others. After taking a multi-year break to pursue a corporate career and raise her two young sons, Erin worked at Tiffany & Co. and Cartier before relaunching her jewelry business with collections that reflect her exquisite and timeless aesthetic but with a contemporary spin on traditional designs.

Erin Flynn Custom Jewelry

Flynn draws her greatest inspiration from making custom jewelry accessible to a wider audience, taking someone's vision and making it come alive in a piece that gives it a new meaning for the wearer.
