He goes on to state “This is a perfect loan program for Private Bankers to use for their clients when their bank cannot offer a viable option, as there is no AUM requirements and no encumbrance of the portfolio or asset used to qualify for the U.S. mortgage.”

“A lot of our clients come from Private Bank or HNW real estate agents globally. It’s simple, they are looking for new solutions to help their HNW clients purchase, refinance or release equity without having to provide Assets Under Management (AUM) but also at very competitive rates” said Nick Worthing, Vice President, HNW Division at America Mortgages. “Our Super Jumbo HNW Preferred Mortgage program offers high LTV, attractive rates, fixed term interest only or 30 year fixed and ARM options to help HNW borrowers without a financial administrative nightmare to qualify. It’s literally the perfect U.S. mortgage solution for HNW clients. Period.”
