In early 2019, Reena Ezra, Brendan O'Brien and Jordan Fried met performing comedy in Suffern,

NY. They realized they had a passion for comedy writing and decided to put on their Circuit Break Comedy Variety Show. After the success of that show, they looked for a new venue to put on a Wednesday night comedy show. They seemed to have a location for this show at the now defunct Nocturnal Muse Art Gallery in Nyack, NY (replaced by the beautiful Shelly Luan Gallery). The working title for the show that never was was Late Night Hump, and although the show never happened in its original form, Reena, Brendan and Jordan have been creating and producing together under the moniker @latenighthump ever since.
