The Rosedale, Hillside Place and Verde Apartments, full-service residential complexes, a total of 385 units, will be managed in Austin by ResProp Management

AUSTIN, TX, UNITED STATES, November 21, 2022 /EINPresswire.com/ -- ResProp, a leading tech-focused property management firm based in Austin, Texas, announced The Rosedale, Hillside Place and Verde Apartments to be their newest portfolio additions. Hillside Place and Verde Apartments are located in South East Austin near the Austin-Bergstrom International Airport while The Rosedale sits just North of The University of Texas at Austin.

The Rosedale, built in 1963, is a classic Austin-styled community with a quaint environment. This community has not one, but two sparkling swimming pools for residents to cool down in during the hot Texas summers, a picnic and grill area to mingle with neighbors and a 24-Hour fitness center. The Rosedale is a pet friendly community that is within walking distance from almost everything.

Hillside Place and Verde Apartments are comfortably located in East Riverside near Lady Bird Lake, Downtown Austin, and Austin Community College. Only a few minutes from each other, these communities offer a variety of floor plan options and amenities. Both are pet friendly with sparkling pools, renovated units and outdoor picnic and lounging areas.

Luscious greenery surrounds the Verde Apartment grounds.
