MELBOURNE, AUSTRALIA, November 23, 2022 /EINPresswire.com/ -- A total of eight football fan tokens are now listed on [Mitrade](#) including Manchester City, FC Barcelona, Paris Saint-Germain, and others.

To celebrate the World Cup, global CFD trading broker Mitrade has listed a total of eight new coins in their platform. Soccer fans can now join in the fiesta and trade on the price fluctuations, supporting their favorite football teams during the biggest football event on the planet.

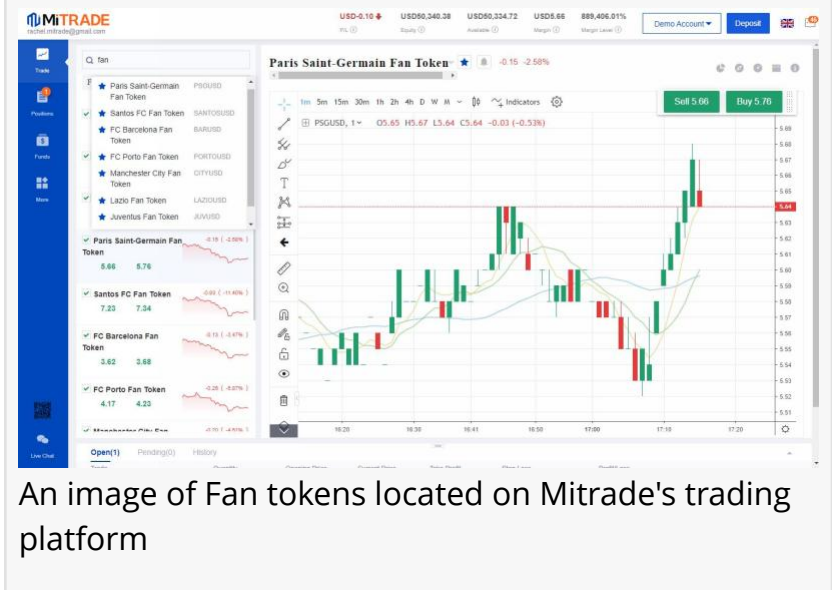

Mitrade launched their fan tokens on November 21st with the commitment of making football tokens accessible to the public by providing real opportunities for them to be an investor in the global sports business. The broker provides an

intuitive platform for sport organizations to take fan engagements to the next level and at the same time, showing the CFD trading broker's overarching support of the sporting space.

Fan tokens are cryptocurrencies created to give fandoms of sports teams, bands, and other organizations a better experience with membership perks like voting rights on certain decisions, a variety of rewards, merchandise, etc.
