Black Friday shoppers can save money this year with the free browser extension from Capital One Shopping. It's completely free for everyone and automatically applies available coupons while shopping online. Their lightweight browser add-on also compares prices on Amazon, Best Buy, Target and more retailers while shopping online, alerting shoppers when a better offer is identified. Saver Trends is compensated by Capital One Shopping when the browser extension is installed using the link provided.

About Saver Trends: Saver Trends research and share online sales news. As an affiliate Saver Trends earns from qualifying purchases.
