Spending Lab recommends using the Capital One Shopping free browser extension when shopping for deals this Black Friday. It's completely free for everyone and applies to available coupons while shopping online. Their browser add-on also compares prices on Amazon, Target, Best Buy and more stores while shopping online, alerting users when a better offer is found. Capital One Shopping compensates Spending Lab when the browser extension is installed using the link provided.

About Spending Lab: Spending Lab research and report on online sales events. As an affiliate Spending Lab earns from qualifying purchases.
