The Consumer Post earns commissions from purchases made using the links provided.

The Consumer Post recommends shoppers use the Capital One Shopping free browser extension when shopping online this Black Friday. It's free to use for everyone and applies available coupon codes to shopping carts at checkout. Their browser extension also allows shoppers to earn exclusive rewards while shopping online, then redeem those rewards for gift cards. Capital One Shopping compensates The Consumer Post when the browser extension is installed using the link provided.

About The Consumer Post: The Consumer Post shares news for online shoppers. As an affiliate The Consumer Post earns from qualifying purchases.
