35% Off Savings

Popular Mobile Edge go-bags include:

At just over two pounds, Mobile Edge's Commuter Backpack is perfect for students and

professionals looking for style and versatility. The Commuter may be lightweight, but its scratch-resistant, water-repellent fabric withstands rigorous use and activity. Three main compartments hold up to a 15-inch laptop, mobile devices, accessories, and files.

The new Core Gaming Tactical Backpack features dedicated storage, protection, and organization for gaming laptops, consoles, mobile devices, accessories, and personal items. Made from ballistic nylon, like flak jackets, the Tactical Backpack is highly configurable. It also features a water-resistant, tear-proof, hideaway rain cover.

Mobile Edge's checkpoint-friendly [Professional](#) Backpack boasts a durable, ballistic nylon exterior. It provides adjustable storage for laptops up to 16 inches and a separate fleece-lined pouch for tablets. A zippered front section provides quick access to pens, a cell phone, business cards, keys, cables, and other small accessories.

The Professional Rolling Laptop Case features an adjustable, padded compartment for laptops up to 17 inches, a fleece-lined pouch for tablets, and a large file section. Its oversized compartment easily stores clothing and personal items, making the case perfect for daily commutes or overnight trips. Other highlights include a five-stage telescoping handle, free-rolling in-line skate wheels, and a trolley strap for stacking on other luggage.

Mobile Edge's Deluxe Rolling Duffel is rugged and roomy with a telescoping handle and individual Roller blade wheels for smooth rolling. Storage features include large zippered side compartments for accessories, easy-access front pockets, and a separate bottom zippered compartment.

NEW COMMUTER BACKPACK DESIGNED WITH STUDENTS, PROFESSIONALS, AND TRAVELERS IN MIND

CORE GAMING'S NEW TACTICAL BACKPACK IS FOR GAMERS SERIOUS ABOUT PROTECTING THEIR GEAR

With Mobile Edge's ScanFast™ Backpack 2.0, frequent flyers won't have to remove their laptops to get through security checkpoints. This backpack fits laptops up to 17 inches with plenty more room for mobile devices and accessories. It's also part of the Mobile Edge ECO Collection. It's made from a corn-based material that requires 30% less energy to manufacture compared to synthetic materials.

Select Alienware products include:

The spacious Alienware Area-51m 17" Messenger Bag is loaded with custom features for storing and organizing laptops, tablets, headsets, cables, and more. Highlights include a quick access front pocket, adjustable shoulder strap, and trolley strap for securing the bag onto wheeled luggage.

Built to last, the Alienware Headphone/Headset Case secures and protects headphones and gaming headsets. Highlights include internal mesh pockets for storing cables and accessories and a durable, water-resistant nylon exterior.

Featured accessories include:

The portable 20,000mAh 18W PD+QC Fast Charge High-Capacity Power Bank provides vital backup power for mobile devices. Engineered with Power Delivery and Qualcomm Quick Charge 3.0 technology, it can fast charge compatible devices from 0 to 50% in just 30 minutes. It works with the latest iPhone and Samsung smartphones.

The USB Wall Charger Turbo 6 transforms one wall outlet into a 6-port USB power station. With 50 watts of power, it can charge up to six devices simultaneously at blazing-fast speeds. Two ports feature cutting-edge Adaptive Fast Charge Technology that can charge compatible devices from 0 to 50% in just 30 minutes.

The All-in-One USB-C Adapter Hub turns a single USB-C Port into a powerhouse workstation that securely connects laptops and tablets to 4K HDMI Video Output, an SD/Micro SD Card Reader, and High Speed 2 USB ports for 5GB data transfer. Compatible with laptops/Chromebooks, tablets, or smartphones with a USB Type-C port.

When a Qi-enabled device is placed on the Fast Charge Qi Wireless Charging Power Pad, charging starts on contact. Compared to standard chargers, it delivers double the power (up to 10W)! This all-in-one wireless charging system includes a Fast Charge wall adapter and a 4-foot Micro USB cable.

Buy One/Get One + 50% Off Flash Sales

"We're also offering a buy one/get one special on our Premium/Select Messenger Bags," says June. "Plus a few other sales surprises, including flash sales offering 50% off select items."

Mobile Edge's Premium and Select Messenger Bags ditch bland designs for function and style.

Available in multiple colors, these messenger bags offer maximum protection, convenience, and portability—and they do it with flair. Highlights include SafetyCell™ padded computer sleeves, wireless SecurityShield™ pockets to protect against hackers, and built-in elastic shoulder strap systems. The main difference between the Select and Premium bags is up to 40% more storage space with the Premium line.

Editor's Note: SAMPLES ARE AVAILABLE FOR REVIEW. Supplies are limited.
