"Our message to the Iranian people is we hear you, we see you, and we support you. As a member of the US Congress, I am absolutely committed to holding the murderous regime accountable for its countless crimes against the people of Iran."

The Iranian Americans for Liberty (IAL) represents a bi-partisan community of Iranian Americans working to strengthen and support US foreign policy and national security solutions that bring democracy, human rights accountability, and freedom of speech to Iranians living under the oppressive, totalitarian Islamic Republic Regime in Iran. IAL seeks and promote active advocacy from Iranian Americans and the greater Iranian diaspora. We advocate for common-sense foreign policy solutions that improve the everyday lives of Iranians and also strengthen the national security of the United States. IAL is a 501(c)(4) organization which primarily focuses on

nonpartisan education and advocacy
on behalf of Iranian Americans
