The Consumer Post earns commissions from purchases made using the links provided.

The Consumer Post recommends using the Capital One Shopping free browser add-on when shopping for deals this Black Friday. It's free to use for everyone (Capital One customer or not) and automatically applies available coupon codes to shopping carts at checkout. Their lightweight browser extension is used by millions of online shoppers to save money. The Consumer Post is compensated by Capital One Shopping when the browser add-on is installed using the link provided.

About The Consumer Post: The Consumer Post shares news for online shoppers. As an affiliate The Consumer Post earns from qualifying purchases.
