DearMob iPhone Manager Black Friday Deals

“

DearMob wants to spread the cheer early in the Black Friday extravaganza with up to 75% OFF huge savings.”

Angie Tane

"Thanksgiving is around the corner, and many of us are scoring the biggest saving on gadgets such as iPhone 14 and M2 iPad Pro for loved ones." said Angie Tane, Marketing Manager of DearMob, "As one of the best companions for iDevices, DearMob wants to spread the cheer early in the Black Friday extravaganza, through Cyber Monday, and till the next few weeks."

"No matter whether you want to [transfer everything from the old iPhone](#) to the newly purchased iPhone, export holiday photos and videos, or simply backup the device for ease of mind, DearMob iPhone Manager stands out as the best iTunes alternative, with easy, fast, and safe solutions."

Underscored by leading tech publications and loved by millions of users worldwide, DearMob iPhone Manager brings simplicity to iPhone management thanks to the following features.

1. Flexible and robust Backup options.

DearMob supports full device backup, selective backup, and archiving multiple backup files. People can create multiple backup files for all the iPhones and iPads their families have. With the backup copy, it's easy to switch to the new iPhone with app data preserved.

2. Lightning-fast transfer of 15+ file types.

Photos, videos, screen recordings, movies, TV shows, digital books, ringtones, messages, PDFs, and documents are easily accessible via DearMob. Users can transfer these files and media to any device or sync back to iPhone, with a quick loading speed.

3. Photo transfer and management.

Exporting photos can free up iPhone storage and safely back up pictures at the same time. DearMob does the job better with options to export by folders/types/dates, and curate with systemic naming. It supports HEIC, ProRaw, DNG, live photos, favorites, etc.

4. Handy utilities.

Converting HEIC to JPG for best compatibility, setting custom ringtones, merging duplicated contact cards, and exporting e-books to PDF&EPUB are popular features that DearMob users find life-saving.
