

Vantage Fit Partners with Wellness Seekers Academy to Create an Inspired and Empowered Workforce

NEW DELHI, DELHI, INDIA, November 23, 2022 /EINPresswire.com/ -- [Vantage Fit](#), an AI-powered employee wellness solution, announced a partnership with Wellness Seeker's Academy, a holistic wellness program providing a platform that goes beyond physical and emotional wellness.

Even as enterprises are trying to get back to post-pandemic normalcy, there was never a greater need than today to look after the well-being of business leaders and employees. Providing an ecosystem where employees can thrive and deliver is critical, which would help companies engage and motivate their teams and improve employee engagement and wellness.

“

As we try to prioritize employee health and wellness in the workplace through our Vantage Fit app, this collaboration will help us measure the impact of our wellness initiatives.”

Partha Neog, CEO and Co-Founder of Vantage Circle

The holistic employee wellness programs offered by the [Wellness Seekers Academy](#) are a series of well-planned and coordinated interventions across the eight dimensions of wellness. These integrated programs and our unique wellness measuring toolkit enable enterprises to measure employee wellness and improve workplace capabilities through learning, development, and strategic transformations that directly contribute to increased productivity.
