Newark, Italy and me (Lulu.com)

Before the Pandemic, I had begun some work to use some of the Narrative History as a short film. There are sights I had chosen to film in some cases before they were demolished. This included the Columbus Monument on Broad St. that was demolished by the City of Newark in 2022.

We are beginning a campaign to raise money with these 2 Film Freeway selections that add

greater momentum.

My Antonio Caruso/Tuosto Family in 1925 in The Newark Sunday Call. My Great-Grandparents and other relatives are all there in 1925. Antonio also donated a window to St. Lucy's Church dedicated to his Mother as they were from Capo Selle in the Province of Avellino outside Naples, Italy. They were all devoted to St Gerard and that legacy remains even today at St Lucy's Church to the right of the altar above the door to the Sacristy even today after 97 years.

The embers are already burning with sporadic flare-ups, mirroring as a House of Horrors from The White House like COVID-19. Djt as bullhorn never shuts up calls the Militia in as fireman in reverse. They don't put them out, they cause new fires. We have been in conflagration since 2015 all thanks to Djt and the Kentucky Senator, Barr and the rest of his henchmen. I can hear Nero playing his violin as a ghost in DC.
