Black Friday shoppers can save money this holiday season with the free browser extension from Capital One Shopping. It's completely free (Capital One customer or not) and automatically applies available coupons to shopping carts at checkout. Their browser extension also compares prices on Amazon, Target, Best Buy and more retailers while shopping online, alerting shoppers when a better offer is identified. Spending Lab is compensated by Capital One Shopping when the browser add-on is installed using the link provided.

About Spending Lab: Spending Lab research and report on online sales events. As an affiliate
