

# Equator Launches Premium Wine Refrigerator With An Impressive 52 Bottle Capacity

*Designed to be the ultimate storage solution for serious wine collectors, the WR 52 model boasts a number of top-tier features*

HOUSTON, TEXAS, UNITED STATES OF AMERICA, November 23, 2022 /EINPresswire.com/ -- Equator Advanced Appliances is thrilled to announce the release of their new Dual Zone 52-Bottle [Wine Refrigerator](#). Created to be an appealing and efficient way to keep all varietals and vintages stored in the optimum environment, wine collectors are certain to be impressed by this model.

“We’ve worked for months to design the ultimate wine storage solution for professional and novice wine collectors alike,” said Nick Mathews of Equator Advanced Appliances. “The WR 52 model offers an extensive list of premium features, which all work together to ensure that all bottles stored are kept at the perfect temperature — and that they are shielded from external elements.”

What are some of the most noteworthy features that are part of this Dual Zone [Wine Cooler](#)? Measuring 33.9 x 23.4 x 23.6 (HxWxD in inches), this model is compact yet has an outstanding storage capacity of 52 bottles. It provides a total of 4.76 cubic feet of interior space, and has gliding shelves that allow for effortless storing and retrieval of one’s beverage collection. This wine refrigerator can be installed as a built-in or freestanding unit, and has both adjustable feet and a reversible door to achieve the ideal fit.

Aside from these highlights, there is even more to love about the WR 52 model. Powered by an energy efficient compressor, this design offers dual temperature zone cooling. The upper zone
