featured as Artists to Watch in 2023, these artists will also be featured in the ArtTour International Magazine print and digital issues, the ArtTour International TV Show, and all digital and social media platforms of ArtTour International Magazine.

Who made the cut?

The list includes well-known international artists, many of whom have been featured in ArtTour International's past issues. It also features new faces that are quickly gaining popularity and recognition as they show their work across the globe. The list of artists will be released on December 15th to the general public through a live broadcast. The

wide variety of styles and mediums displayed makes it clear that ArtTour International is committed to showcasing a diverse range of artists. They seek to promote these artists and

provide them with exposure for potential buyers, curators, art collectors, and museum directors.

The magazine showcases not just paintings and sculptures but digital art, photography, installations, drawings, and much more. In addition, ArtTour International Magazine has an online gallery where readers can explore individual pieces further through interviews or articles on the artist's background.

ArtTour International Magazine is the premier multimedia art magazine in the international art scene and has been helping to promote artists worldwide since 2011. The magazine is celebrating its 12th successful year by releasing a special Twelve Years of Success issue featuring never-before-published information about its history. In addition, it will release an exclusive interview with the magazine's Founder and CEO, Viviana Puello, exclusive news on artists that have appeared during the past twelve years, plus the list of the Artists To Watch in 2023, and much more!

"We are thrilled to have these artists on our list. It was difficult narrowing down the possibilities, but we feel confident these are our era's most deserving and talented artists. We hope that with this list will inspire many art lovers and open the doors to new possibilities for these artists." So said Viviana Puello, CEO, and Founder of the magazine.

"As a reputable art magazine, ArtTour International wanted to publish these artists recognized to watch by leading curators, critics, and collectors worldwide. With twelve years of experience as
