THE GORI LAW FIRM

Throughout November and December, the nationwide, women-led asbestos litigation firm invites participants to nominate deserving police officers, firefighters, EMTs, teachers, education staff, administrators and more, for a chance to win a \$50 gift certificate. Winners will be selected at random, and a total of 50 gift cards will be awarded. Nominations are currently open and will close on Monday, December 12.

“With the holidays on the horizon, we want to use this opportunity to give back to individuals who help make our communities better,” said Sara Salger, managing partner of The Gori Law Firm. “This year, we want to let all our first responders and teachers know how much we appreciate the work they do every day.”

In 2020, The Gori Law Firm awarded gift certificates to teachers and educators throughout the country. Thanks to an anonymous donation, the firm recognized 100 individuals for their patience, passion and persistence throughout the COVID-19 pandemic.

“We got such a positive response from recognizing our nation’s teachers that we wanted to open this opportunity up to celebrate other members of our community. Our Giving Thanks Promotion also gives us a chance to support local businesses through gift card giveaways, which is another win for us,” Salger said.
