Black Friday shoppers can save money this holiday season by using the free browser extension from Capital One Shopping. It's completely free and applies available coupon codes to shopping carts at checkout. Their browser add-on also compares prices on Target, Best Buy, Amazon and more retailers while shopping online, alerting shoppers when a better offer has been identified. The Consumer Post is compensated by Capital One Shopping when the browser extension is installed using the link provided.

About The Consumer Post: The Consumer Post shares news for online shoppers. As an affiliate The Consumer Post earns from qualifying purchases.
