

Historical Black Friday Deals on Zizoo

MIAMI, USA, November 24, 2022 /EINPresswire.com/ -- Zizoo, the world's largest boat rental platform, has prepared something spectacular for this Black Friday month. The biggest discounts in Zizoo's history are available for anyone looking to set sail in the stunning waters of Croatia, Greece, Italy, the Caribbean, and worldwide.

Zizoo has announced that this is the biggest sale across the entire boat rental market and promised to price match any offer. This way, for a limited time only, holidaymakers and sailors have the chance to make huge savings on their dream boat holidays.

Sun, sea, and savings

Need an example? Hiring a decadent catamaran for a once-in-a-lifetime trip along the stunning Croatian coast would typically cost \$2,500 for seven nights. With Zizoo's Black Friday offer, deal hunters can save up to \$1,250 – a whopping 50% off – on this type of luxury ship — subject to availability during high season.

Don't sleep on this: secure your boat today, enjoy flexible payment options or cancel for free up to 6 months in advance.

Bargain luxury sea escapes

Luxury boat trips have never been more affordable. With Zizoo's Black Friday deal, you can sail in style aboard the best boats (with or without a crew) in the world's most popular sailing destinations: Croatia, Greece, the Caribbean and beyond. Only during this Black Friday month, luxury travelers can benefit from Zizoo's boat-rocking discount at the biggest sale on the market, which will put an extravagant sailing holiday within every sailor's budget.

World's most expensive boat rental

Did you know that some of the most expensive superyachts available to charter in the Mediterranean can set you back over \$1m per week? We might have to skip the eye-watering high-priced yachts, however, on Black Friday the biggest worldwide sale will take place across all boats and destinations at Zizoo, insured and verified boats with optional crew, and it won't cost you a fortune.
