Automotive Testing, Inspection And Certification  
Global Market Report 2022: Market Size, Trends, And  
Forecast To 2026

The Business Research Company's "Automotive Testing, Inspection and Certification Global Market Report 2022" forecasts the automotive testing, inspection and certification market is expected to grow from \$19.8 billion in 2021 to \$20.34 billion in 2022 at a compound annual growth rate (CAGR) of 2.7%. The Russia-Ukraine war disrupted the chances of global economic recovery from the COVID-19 pandemic, at least in the short term. The war between these two countries has led to economic sanctions on multiple countries, a surge in commodity prices, and supply chain disruptions, affecting many markets across the globe. The automotive testing, inspection, and certification market is expected to grow to \$23.31 billion in 2026 at a CAGR of 3.5%. An increase in automobile production is expected to propel

### [Automotive Testing, Inspection and Certification Market Trends](#)

Advancements in TIC such as virtual reality (VR) and augmented reality (AR) have emerged as the new trends gaining popularity in the automotive testing, inspection, and certification market. Major companies operating in the automotive testing, inspection, and certification market are focused on developing and adopting virtual reality and augmented reality technologies to sustain their position in the market.

### [Automotive Testing, Inspection and Certification Market Overview](#)

The automotive testing, inspection, and certification market consists of sales of automotive testing, inspection, and certification services by entities (organizations, sole traders, and partnerships) that are used to ensure the automotive product complies with automotive safety and quality standards. Automotive testing, inspection, and certification refer to certifying automotive vehicles and their components as per the requirements of regulatory and statutory standards that help to check whether vehicles meet customer expectations and various statutory standards.
