Black Friday shoppers can save extra money this holiday season by using the free browser addon from Capital One Shopping. It's free to use and automatically applies available coupon codes to shopping carts at checkout. Their browser extension also compares prices on Amazon, Target, Best Buy and more stores while shopping online, alerting shoppers when a better offer has been identified. Saver Trends is compensated by Capital One Shopping when the browser extension is installed using the link provided.

About Saver Trends: Saver Trends research and share online sales news. As an affiliate Saver
