

Kimberly Simon of ControlCase named finalist for Rising Star of the Year for Women in Tech Global Awards 2022

WomenTech Network announced the finalists for the Women in Tech Global Awards 2022 celebrating 100 000 women, minorities, and allies in tech.

TORONTO, ON, CANADA, November 28, 2022 /EINPresswire.com/ -- [Kimberly Simon](#) VP – Marketing & Strategic Partnerships at ControlCase was recognized as a finalist at the largest virtual awards celebration in technology for women, minorities, and their allies, Women in Tech Global Awards 2022 by WomenTech Network, on the world's largest community for women in tech with more than 6000 ambassadors from 172 countries.

1247 contestants from 142 countries in 16 categories

“

We understand the value of recognizing small and major victories. This is why we shine a light on accomplished and aspiring women in tech, who are working toward a more equitable and inclusive world”

Anna Radulovski, CEO & Founder at WomenTech Network

Kimberly Simon was named a finalist in the category Rising Star of the Year for her contributions to [cybersecurity compliance](#) education and collaborations. Kimberly Simon pioneers for more compliance adoption and for people to learn about the opportunities in cybersecurity. She is the author of “Case for Investing in Cybersecurity Compliance” which is available on Amazon and in Coles and Indigo bookstores across Canada. The winners will be announced on Dec. 1 at the Women in Tech Global Awards & Inspire Summit.

What to expect at the WTGA & Inspire Summit 2022 on Dec 01

□ An entire day full of insightful talks and networking

opportunities.

□ Q&A with 20 keynote speakers from Intel, Airbnb, Meta, IBM, and more.

The virtual ceremony & summit will feature some of the most accomplished women in tech. The event will also offer 1:1 networking opportunities with finalists, winners & speakers.
