The Ryan Beyer Experience Tour is coming to Tempe, Arizona for one night only on January 22nd for a single 7:30 pm show.

Husband, father, magician, and big dreamer, [Ryan Beyer is the Host](#) and Master of Ceremonies. Ryan has had a successful launch of "The Ryan Beyer Experience Tour", which took place in November. The inaugural show was a sold-out performance in Las Vegas and he is looking forward to the Phoenix Edition of the show, which precedes their House of Blues venue in Myrtle Beach in June.

When asked what kind of performance attendees might expect to see on The Ryan Beyer Experience tour, Ryan stated, "The works! Close-up, parlor, stage – illusions and manipulation,

mentalism, side-show, bizarre."

The Phoenix Edition includes the following performers:

Benny James: For over 25 years, Benny James has been entertaining audiences with his love of comedy and magic. Starting his career on stage at the age of 7, he has worked his comedic skills for years, performing sketches and routines from the likes of Abbott and Costello and Red Skelton. It wasn't until working in a circus as a clown that he found his passion for magic. That passion would lead to more opportunities to work in film and TV as an actor, appearing in such films as "Cowboys and Aliens", and "True Grit", as well as TV shows "Longmire" and "Gunslingers". He even played a starring role as the villainous Murakami in the Award-Winning Short Film "Mr. Sushi". When not performing as a magician or actor, he works as a private ballroom dance teacher and a consultant for other magicians.

Dave Johnson: Dave Johnson started performing magic and mentalism when he was just five years old. Spending thousands of hours perfecting his art, he has received many accolades from the public and his peers. He takes his art very seriously, especially when compared to his counterpart. Keeping HER on task is a trick in itself!

Gabe Lim: Gabe started his magic journey while in college with the University of Arizona's magic club. After countless hours practicing and perfecting his craft, he was named a finalist in the Society of American Magicians' stage magic contest in 2022. Gabe has worked alongside circus performers showcasing his abilities, and even manages his own circus troupe. He has also worked as a street performer locally in Phoenix, as well as performed for high-class corporate events. Gabe likes to blend both stage and close-up together for one high-class magical experience.

John Fitzsimmons: The Comedy Trickster has appeared on every major TV network in the nation including appearances on "America's Got Talent", "The Gong Show", "I Can See Your Voice", and he most recently appeared on Penn & Teller's show - "Fool Us".

John has also performed his magic on 3 different TEDx stages and is also a 3-time GUINNESS WORLD RECORDS holder.

Valerie Spell: She was one of five magicians selected to perform at the Society of American Magician's stage competition in Las Vegas and was also selected to perform at the International Brotherhood of Magician's stage competition in Atlanta in 2022. As an engineer and 2nd-degree black belt, Valerie likes to incorporate new inventions into her act and martial arts into her

movements to create a one-of-a-kind experience. Valerie hopes to inspire other girls' gender stereotypes, whether it be in magic, engineering, or any other male-dominated field.

The Post Show VIP Includes [Kent Axell](#): Kent Axell is a charming heathen who knows what you're thinking. After directing the highest-rated close-up magic show in NYC for 6 years running, Kent ventured to Las Vegas where he currently lives and performs.
