

# 60 Days of Marketing Help with not upfront investment

ORLANDO , FL, UNITED STATES,  
November 29, 2022 /

EINPresswire.com/ -- An Orlando FL based Business [Consulting](#) Firm offers an excellent program for small business owners for a limited time. The deal works like this, after identifying that we can actually help, and if the small business does qualify then we will go to work marketing the business and not get paid until we've put in two full months of work on the marketing campaign.

Most small business owners can't afford a marketing company. This program is designed to help the business bring in some revenue first then after it does it can pay us for the work we did. That's how you build a winning relationship said [John Hopper](#), President of [The Greatest on the Planet](#)

John Hopper wants to help small business owners

This no upfront investment program is in effect immediately and will stay in effect until we can't take on any additional clients in the program said, John Hopper
