Cyber Monday shoppers can save money this holiday season by getting the free browser add-on from Capital One Shopping. It's free to use (Capital One customer or not) and automatically applies available coupons while shopping online. Their lightweight browser add-on also compares prices on Target, Amazon, Best Buy and more retailers while shopping online, alerting users when a better offer has been found. Capital One Shopping compensates Consumer Articles when the browser add-on is installed using the link provided.

Exercise bikes provide a high-intensity yet low-impact workout to help users burn calories, lose weight and improve their cardio. Spin bikes or indoor cycles resemble outdoor bikes more, so riders lean forward and get more intensive workouts with the help of additional resistance. In

comparison, stationary bikes have a less aggressive upright riding position. Top exercise bike brands include NordicTrack, Equinox+, ProForm, Schwinn, Bowflex, Life Fitness and Horizon Fitness.
