

Dealscribe announces full coverage of Carlyle US collateralized loan obligations

Investors can now find deal terms for all Carlyle's 66 US collateralized loan obligations on Dealscribe, helping liquidity in the secondary market

LONDON, UNITED KINGDOM, November 28, 2022 /EINPresswire.com/ -- [Dealscribe](#) is pleased to announce that it has completed its analysis of US collateralized loan obligations (CLOs) managed by the Carlyle Group. This means that investors can now use Dealscribe to track all deal terms for the largest US CLO manager. Carlyle's acquisition of CBAM this year gives it a total of 66 CLOs currently under management (listed below). Dealscribe has also published a [report](#) analyzing Carlyle's evolving documentation style.

Dealscribe's London-based team of researchers reads the governing document of each deal and extracts standardized deal terms. Using an intuitive web system, investors can compare these terms across deals and navigate to them in the original document. The service, which now covers almost 2,000 CLOs, helps buyers to make quicker investing decisions and improves liquidity in the secondary CLO market.
