Press Release: RHW Academy recently announced the launch of internationally recognized health and wellness courses for individuals who want to build their Health and Wellness career, hobby or business.

How to build a strong core 101

“

The Supreme 8 Course was packed with knowledge that I can apply not only to my everyday life, but also to my nutrition business. They won't teach you this anywhere.”

Kettlebell Queen

RHW Academy aims to be the voice of reason in the health and wellness industry and specialize in personal training courses, helping you to gain a certificate to become a fitness instructor and personal trainer.

The premium courses cover a wide array of topics and help you enhance the results you get for your clients. The academy is the next generation of innovative digital education that bridges the gap between high-end knowledge and value-for-money courses.

RHW Academy has partnered up with Expert Rating for International Accredited Certification Programs to ensure the academy diploma is extremely validated and recognized by global institutional leaders.

The health and wellness academy doesn't just cover theory and practicality, they also educate their students on how to start and succeed in their careers or business. The courses are very

high quality, a student can start with free online courses for basic knowledge and level up to premium online courses for certification.

So If you're looking to start a career in the fitness industry, or develop your existing qualifications, RHW Academy is the place for you.

"RHW Academy has everything you need to become a Qualified Health & Wellness Professional and with the knowledge in hand to set up and manage your own business or practice." - Said a Spokesperson at RHW Academy.

Whether you want to do a career change or start your fitness centre or are already qualified and want to further your knowledge, RHW academy has a course for you.

About RHW Academy

RHW Academy offers the highest quality online education to train and develop individuals within the health and wellness sector. All of the academy qualifications are critically assessed by global academic and professional organizations. The course certifications are validated and recognized by global institutional leaders.

The academy has an extensive portfolio of courses, delivering world-class training to ensure students have a long-lasting careers.
