Wiers Fleet Partners announced the acquisition of Allison Trans Tech located at 1026 S Navigation Blvd, Corpus Christi, 10 miles southwest of downtown Corpus Christi.

This is the tenth Wiers location offering [24/7 Truck Repair and Fleet Service](#) to national and local companies requiring commercial truck maintenance and repair. "We've been serving commercial truck owners for nearly 60 years. Corpus Christi is a dynamic city and will be our second location outside the Midwest. We are confident that

customers will see immediate value in our 24/7 platform that includes real-time diagnostics, mobile maintenance, and emergency service support." stated Tom Wiers, CEO & Owner of Wiers.

"Allison Trans Tech has a great track record of taking care of customers and employees in Corpus Christi. We share many of the same values and look forward to helping our new customers deliver more products and services in a safe, reliable, and cost-effective manner," said Drew Hettich, President & COO of Wiers. Steven Donahoo, former owner, will join Wiers as the Corpus Christi Service Manager.

"Steven started the company 12 years ago and is truly living an American success story. Allison Trans Tech is an authorized Allison Transmission maintenance and overhaul Dealer for on and off highway applications. His team is extremely proficient when it comes to solving complex transmission problems. He's the go-to shop in South Texas. Steven wants to grow the chassis maintenance and repair portion of the business and we will help him do that." said Wiers.

Wiers Service Centers are run by experienced teams who bring dealer capabilities to a customer-friendly and accommodating environment. Tom shares his final thoughts. "Both Steven and I want to grow our businesses in Texas and make more TRUCKSROLL. Doing it together makes

perfect sense!"
