

Erica Lane Returns with New Christmas Single, "The Friendly Beasts"

NASHVILLE, TN, USA, November 29, 2022 /EINPresswire.com/ -- Erica Lane is back with the new Christmas single, "The Friendly Beasts." The single is quickly climbing the charts. For the week ending November 25th, "The Friendly Beasts" landed at #8 on New Music Weekly's Indie Music Single Chart, and #61 on the Hot 100, ahead of new single from Shania Twain, Black Eyed Peas, Charlie D'Amelio and more. The single also debuted at #42 on BILLBOARD's Monitored AC (Adult Contemporary) Chart, and at #55 on The Mediabase Monitored AC Chart.

"The Friendly Beasts" was recorded at the breathtaking Blue Rock Artist Ranch and Studio in Wimberley, Texas. Lane's arrangement of the old English tune is a nod to the animals that may

have been present at the time of Christ's birth. More importantly, the song illustrates the importance of the Lord's coming as a blessing to the lives of all creatures on earth. Musicians Scott Mulvahill and Tim Feerst contributed to this recording, which was engineered by John Ziola and mixed by Mike Rogers.

“

This song is organic, hopeful, and nostalgic. It leaves you with a sense of thankfulness for the gifts that God gave through the birth of His Son.”

This song is organic, hopeful, and nostalgic. It leaves you with a sense of thankfulness for the gifts that God gave through the birth of His Son."

A music video will be released in early December.
