*The song climbs to #9 on the Adult Contemporary Holiday Chart*

LOS ANGELES, CA, USA, November 29, 2022 /EINPresswire.com/ -- The Official Music Video for “Missing You Underneath the Mistletoe” by Dianña has been released on [YouTube](#) per her label

Billeegee Productions. The video was filmed at Fonco Studios in Los Angeles (special effects and animation on projects like Star Wars, Star Trek and Beetlejuice) which added their expertise to some special moments in the video.

“

For a new song from a new artist to reach this high on a holiday chart dominated by classic holiday songs is a real rarity.”

*Sam Kaiser, Veteran Music Promoter*

In only three weeks the single “Missing You Underneath the Mistletoe” has climbed into the TOP 30 on the overall Adult Contemporary Chart at #24, also propelling Dianña to a TOP 5 Adult Contemporary Independent Artist

ranking.

Dianña’s vocals are reminiscent of Karen Carpenter. “Several years ago I did a tribute show as Karen Carpenter in Las Vegas. I studied Karen’s unique vocal stylings so especially when I sing holiday songs it naturally comes out.”, said Dianña,

“Missing You Underneath the Mistletoe” was produced by Grammy nominated producer/mixer Mark Needham (Imagine Dragons, Dolly Parton, Chris Isaak), and recorded in the studios of Kent Wells Productions in Nashville under the direction of Grammy nominated producer Kent Wells (Dolly Parton), who also makes a cameo vocal appearance in the song.

Dianña’s previous release “Hands” spent seven weeks on the Adult Contemporary charts inside the top 20, and she was the #1 independent artist on the Adult Contemporary charts for five of those weeks.
