EINPresswire.com/ -- Mext B2B Metaverse announces [Medical Tech-BioTech Day](#) to explore the Medical Tech-BioTech Trends and Innovations in 2022.

Mext B2B Metaverse community organizes Medical Tech-BioTech livestream event to bring together professionals, designers, engineers, innovators, influencers, addicts, manufacturers from across the Medical Tech-BioTech ecosystem to explore technology trends and innovations in 2022 for Medical Tech-BioTech .

“

We are pleased to host the second edition of Medical Tech-BioTech Livestream Day with outstanding experts. This event is a great opportunity for the public to learn about the Medical tech trends”

*Hanene Maupas, CEO of Mext*

The medical technology industry becomes an essential component of the whole care pathway. Advanced technologies such as Smart connectivity, Health Sensors, AI/ML in decision making, robotics, VR/AR/XR are not only improving medical devices but also are opening new perspectives for the care of human beings.

The segments that we will develop in this conference are about the use of solutions in the field of mHealth, eHealth, telemedicine, telematics / telemetry, medical

information systems / software, Medical Apps, portable diagnostics, wearables and augmenting human features and well beings.

In this conference, we will focus on getting the latest innovation and trends in Medical Tech-BioTech development to help our high-tech community, to face its major new challenges for

companies, build their roadmap and find their next partners. We will deep dive to Medical tech trends.

Among the speakers, you will meet technology leaders of the Medical Tech-BioTech industry as well as most recognized startups with disruptive technologies.
