MIAMI, FLORIDA, UNITED STATES,  
November 29, 2022 /

EINPresswire.com/ -- Skye Yayoi Drynan, celebrity designer created and designed the costumes for the cabaret performers at the official after-party, Snow Beast Cabaret™ The InterContinental® Miami Make-A-Wish® Nightclub presented by E11EVEN Vodka, which was held immediately following the 27th annual ball at InterContinental® Miami.

DJ Affect kicked off the night for the exclusive event, which presented a sizzling cabaret show featuring the burlesque talents of Pamela Paz and nationally renowned cabaret star Lux-O-Matic and numerous performers and dancers from E11EVEN Theatrics.

The cabaret performers were costumed by Skye Drynan and the [House of Skye™](#) team. Performers included emerging rock artist, Gyasi backed by his riveting glam rock band, the dynamic father and son DJ duo + performance artists Forealism and the vocalist that has been called the “the Cuban Adele,” Yoli Mayor. “I am so passionate about supporting Make-a-Wish, because “together” we can make the most impossible dreams “possible” for these amazingly brave children facing these life-threatening illnesses,” said Skye.

The 27th Annual, raised in excess of \$5.4 million, net of expenses – setting a new record for the event. The glamorous evening was headlined by the legendary Diana Ross, who performed a private concert for Ball guests. Actress and filmmaker Gabrielle Anwar made her return for the

11th year as celebrity emcee of the Ball, which was chaired by her husband, philanthropist Shareef Malnik. House of Skye™ returned again to participate in this year's event after their triumphant fashion show for last year's ball. "House of Skye™ was thrilled when Make-a-Wish® invited us back as the fashion entertainment two years in a row! This year we created custom Dulce Bestia™ & Snow Beast™ looks for the cabaret entertainers & performers versus the 51-look custom couture "Galactica" themed runway show in 2021. The Snow Beast™ Cabaret was the perfect blend of star-studded bling and powerful performances," stated Skye.
