BOSTON, MA, USA, November 30, 2022 /EINPresswire.com/ -- Konrad Martin, CEO and co-founder of Tech Advisors, a leading technology solution provider for small to mid-sized businesses founded by CPAs and specializing in providing [IT and cybersecurity services](#) to the CPA field, announced today that Nextiva is sponsoring the first annual Small Business Tech Day New England, taking place on Thursday, December 15.

Small Business Tech Day New England is part of the much larger Small Business Tech Day, taking place simultaneously throughout the United States and Canada

on December 15. The New England event runs from 12 noon to 3:45 p.m.

In addition to Martin, who is also serving as host, this free online event includes celebrities like Shark Tank's Kevin O'Leary, former FBI counterterrorism and counterintelligence operative Eric O'Neill and best-selling author and entrepreneur extraordinaire Mike Michalowicz.

Nextiva provides fully cloud-based VoIP commercial phone service, and was rated Best Business Phone Service in 2022 by U.S. News.

The event will help small businesses equip themselves with the [best technology and practices](#) available today to increase productivity and profitability and protect them against online threats.

“We're thrilled that Nextiva is partnering with us to help small businesses better understand and successfully manage their [technology issues](#),” said Martin. “Our impressive line-up will offer vital

insights and clear solutions to help small businesses be the best they can be.”
