## ABOUT CHRISTY'S FOUNDATION

Christy's Foundation is a 501(c)(3) nonprofit organization dedicated to providing financial aid and assistance to children with specific unmet needs such as medical, dental, mental health, or educational services for which other resources are insufficient or nonexistent. They have provided funding for medical consultations, psychological counseling, prescriptions, and eyeglasses. Christy's Foundation is funding dental care, computers, summer school, toys drives, clothing, reading and hearing tests.

Christy's Foundation serves as a safety net for children who have "fallen through the cracks" of existing agencies and charitable organizations. Through a network of community service providers and contacts, they look for those children who have a genuine need, but do not qualify for assistance from other resources. Basically, we help those kids no one else does.

"All kids need a little help, a little hope, and someone who believes in them."
