COLORADO SPRINGS, COLORADO, UNITED STATES, December 1, 2022 /EINPresswire.com/ -- Newly formed nonprofit, [Come and See Foundation](https://www.comeandsee.org/), is pleased to announce that effective December 4, 2022 the acclaimed series, The Chosen, will be available for worldwide distribution on the new The Chosen App owned by Come and See Foundation. The app can be downloaded now for free from the [Apple App Store](https://www.apple.com/app-store/), [Google Play](https://www.google.com/play/) or by going to <http://thechosen.tv/app>.

Available on mobile devices and TV platforms, the new "The Chosen" app will feature the first two seasons of The Chosen as well as the upcoming Season 3 and beyond. Additionally, the new app will feature exclusive content like Bible Roundtables and a new Season 3 aftershow. For the first time, viewers will be able to donate via a tax-deductible gift to assist The Chosen to continue its production, keep the show free around the world, and be translated into hundreds of languages.

Led by CEO Stan Jantz, Come and See Foundation is a nonprofit specifically formed to help translate, license and distribute the acclaimed television series with goals of having it dubbed into 100 languages and subtitled into 500 more. Currently, Season 1 has been dubbed in 12 languages and subtitled in 62 languages (Season 2 has 7 and 20, respectively). Through Come and See's strategic partners like Educational Media Foundation, YouVersion, Bible Media Group, One Hope and others, the startup nonprofit is missionally minded and fervent in its desire to see that The Chosen is distributed to one billion people around the world, introducing them to Jesus.

According to Jantz, "The Chosen is such a dynamic and powerful story. With the formation of the Come and See Foundation, our plan is to take The Chosen around the world, reaching much of the World's population so they are able to experience Jesus in their native tongue."

Dallas Jenkins, creator of The Chosen, states, "This new partnership with Come and See supercharges our efforts. We're able to produce episodes bigger and faster, get them translated into more languages, and market the show on a scale previously impossible."

Jenkins, Jantz and Come and See Foundation board member Mart Green discuss the mission of the foundation during a recent livestream that can be watched now at <https://youtu.be/FXVe1WfGWkY>.

With more than 420 million episode views internationally, The Chosen is a fan-supported, seven-season television series that creates an authentic and intimate picture of Jesus' life and ministry,
