"I would like to welcome you to the Meghnad Desai Academy of Economics. Getting into this school is difficult, so good luck to those who make it. The Academy has set very high standards of teaching Economics, Finance and Data Science to students aspiring to reach the standards of the London School of Economics, where I taught for almost forty years. You will be challenged and stretched to the limits of your capacity, but in the end, you will be amply rewarded with bright career prospects. You will also be able to learn not just from your teachers but also from your fellow students who will be among the brightest. Most importantly, MDAE will teach you in a way that will enable you to observe and understand the world for the rest of your life." Lord Meghnad Desai, Chairman at MDAE, and Professor Emeritus, London School of Economics.
