WESTFIELD, IN, UNITED STATES,

-- Taking the industry by storm, Azizeh Beauty chooses this holiday season to release its new vegan cosmetic and skincare lines. These collections include their [Long Lasting Waterproof Liquid Eyeliner](#) and an array of notable [Anti-aging, Anti-wrinkle Skincare Products](#).

Officially launched spring of 2022, Azizeh Beauty quickly became known for its premium quality products made from 100% organic ingredients. Their vegan products are trusted and cruelty-free making them appealing to a growing demographic of consumers.

Marwan Sahoury, Founder and CEO, shared with us that his inspiration to create each of Azizeh Beauty's products stems from his love for his wife and daughter. Frequently complaining about their frustrating experiences with other cosmetic and skincare solutions on the market inspired Marwan to take action. The family-owned brand is dedicated to providing a healthy alternative that looks good, feels good, and is even better for your well-being.

“

Beautiful skin requires commitment and healthy ingredients, not a miracle.”

Marwan Sahoury

[Azizeh Beauty products](#) are made from plants which are the richest sources of vitamins, minerals, antioxidants, and other essential nutrients giving your skin the fuel it needs to stay vibrant and youthful.
