

Innovation Lounges Announces New Team Members & Notable Upcoming Events

Innovation Lounges (ILM) recently released a list of upcoming events for 2023 and introduced its latest team members.

MIAMI, FLORIDA, UNITED STATES,
December 1, 2022 /EINPresswire.com/

-- It is with great pleasure that we announce that Innovation Lounges has strengthened the team. It has grown to include 4 new motivated and devoted people. "It's wonderful to see that team members come from a wide range of backgrounds, as our strength depends on this diversity and difference," says Susan Sadolin, CEO. "Because of our uniqueness, we are more effective".

The new members include Christophe Armengol, the COO for Innovation Lounges Miami, Gina Papier, as Senior Manager of Innovation Lounge Hamburg, and Odi Ventouri, Social Media & Marketing Manager. And Ralph de Klijn as an advisor and supporting Susan with the organization and strategy for the Innovation Lounges.

Christophe Armengol

COO for Innovations Lounges Miami, Christophe Armengol was Born into a family of hoteliers in the South of France. With an early career onboard cruise ships, Christophe moved to Miami in 2000 and brought over 30 years of experience across a range of industries from cruising yachting, gaming, and hospitality to real estate development including front-of-the-house management and supply chain departments.

Gina Papier

Gina Papier previously was active as Manager and HR executive for MV Werften., She has more

Innovation Lounges Marketplace

than ten years of expertise and extensive knowledge in management roles and HR. Gina has also worked with Flight Centre Travel Group, one of the biggest travel agencies in the world. Gina will manage the day-to-day operations for Innovation Lounges Hamburg and support the management of the Miami and Hamburg Lounge member's.

Odi Ventouri

Odi has a wealth of experience working with various worldwide agencies and has shown to be a trustworthy partner in developing their networks. Odi is an expert in social media and marketing. Odi holds a master's degree in human resource management.

Ralph de Klijn

Ralph has 20+ years of experience in executive operations management, sales, and marketing for premium and luxury cruise sectors having worked with Silversea Cruises, Seabourn Cruise Line, Regent Seven Seas, and recently Ralph was part of the leadership team for Viking Ocean. Ralph is a visionary leader turning around non-performing organizations and drives on-trend change management. Establishing a track record of success in pre-opening, optimizing, and implementing strategies, he ensures greater productivity and profitability.

The Focus On Circularity

Innovation Lounges encapsulates global reach, cutting-edge technologies for virtual product development, smooth order management, and [immersive showrooms](#) in Miami, Hamburg, and the metaverse. They are firmly committed to sustainability and circularity. The future of hospitality, maritime, tourism, and real estate investing lies in the Innovation Lounges Marketplace.

Collaboration and open communication are priorities at Innovation Lounges. They advocate the use of better, more durable, and low-maintenance materials. ILM strongly supports the development of furniture that is simpler to reuse and update, giving a strong emphasis on circularity.

Sneak Peek: Soon To Be Featured In The ILM Lounges

1. CrazyChair

CrazyChair consistently manufactures all hammocks, hanging seats, and stainless steel stands in Germany. Their products are all of the finest quality. The CrazyChair Collection's quality principles establish standards that wellness hotel and spa decision-makers, as well as cruise line management, have recognized. They incorporate their passion for beautiful, safe, and recognized solutions to the problems brought on by wind, weather, and adversity into their products, as well as their excitement for sea travel.

2. Dauerflora

Since 1989 DAUERFLORA has developed greening concepts tailored to reflect its diverse customer base vision.

Whether live, artificial, or preserved plants, DAUEFLORA has specialized in professional and creative designs while featuring technical expertise and applying their rich and tested experience.

3. Waterbury

Established in 1935 and still based in Birmingham, Waterbury is a 4th generation family-run business producing high-performance bathroom accessories for the hotel and contract market. Waterbury has built a reputation for quality, dependability, and fiercely competitive pricing, all of which are supported by first-rate customer service.

4. Shores Global

Scandinavian-inspired, Shores Global is an IMO and sustainability-focused outdoor furniture, pillows, and cushions manufacturer. Positioned in prominent hospitality properties, real estate development, residential, and the marine industry, Shores Global has offered U.S. manufacturing capabilities for over 10 years.

5. Liu Jo Living

From the creative vision of Liu Jo was born the custom-made living room. Craftsmanship, versatility, style, and sustainability come together to enter the home world and transform the furniture.

Liujo's living collection is a declaration of intent: new forms and customizable materials open the space to new reading keys and give life to unique pieces.
