"With our background in the service industry, we understand, listen and have empathy for others. We recognize the value of amazing customer service. At PatchMaster Serving Macomb, we strive to provide exceptional drywall repair services and ensure our customers are happy customers for life. We look forward to building a strong brand and giving back to our community," said owner Kellie Foley.

"PatchMaster's continued success is primarily due to the caliber of franchisees joining our organization. Kellie and Matt are a great addition to our team. Their entrepreneurial drive and commitment to superior customer service make them a great fit for our business model," stated Paul Ferrara, CEO of PatchMaster.

PatchMaster's business model offers customers a fast, professional solution to drywall repair. A large majority of handymen, contractors, and commercial drywall companies want to do more than just repair minor drywall. That is where PatchMaster fills a critical niche in the market.

PatchMaster repairs holes caused by homeowners, renters, plumbing leaks, and DIY projects that never seem to end. Most PatchMaster repair jobs are completed in a single visit. The Foley family loves being outdoors in all seasons. In the spring and summer, they often enjoy spending time in their home pool or beach. When they are not relaxing poolside or at the water's edge, the Foleys can be found at a baseball game, coaching and watching their son play his favorite sport. In addition, Kellie and Matt often watch their daughter swim competitively.

PatchMaster Serving Macomb offers a fast, professional solution for drywall and plaster repairs in your home or office. Servicing the communities of Clinton Township, Macomb, Mount Clemens, Rochester, Sterling Heights, Utica, and others.

The initial franchise fee for a PatchMaster franchise territory, which comprises a population between 300,000 to 350,000, is \$49,500 USD. Royalties start at nine percent, and a technology fee is included in ongoing expenses. In addition to strong margins, the ability to scale, and proven business development tools, franchisees complete training at the company's New Jersey headquarters, where industry experts teach them technical and operational skills to assist in their success.
