MONTE CARLO, MONACO, December 2, 2022 /EINPresswire.com/ -- Cardi B's surprise performance of "Tomorrow 2" with GloRilla at the 2022 American Music Awards was truly show-stopping, just like her opulent diamond necklace designed by ORLOV, the renowned jewelry brand based in Monte Carlo.

Her iconic '90s inspired look was polished off with ice featuring an ORLOV necklace set in 18K white gold embellished with 960 stunning white diamonds.

The necklace is part of the Croco Dream collection by ORLOV. The collection is inspired in a detailed and precious interpretation of the crocodile's skin and spikes. Reinvented in wearable, contemporary designs that evoke the form, texture and movement of the crocodile in iconic rings, earrings, bracelets and outstanding necklaces. Croco Dream is ORLOV's first ever collection created with day wear top of mind, a precious dream.
