Sounds is excited to be a part of

Michael's journey. "Even though his story is not new to the world, it is new to him", says SVP of Firebird Sounds

Paula Hersom, "telling his story in his own unique way that young people of

his age can identify with." Michael Jay is

a PA/NYC/NY rapper, channeling influence from rappers like Logic, Hopsin, Chance the Rapper, Mac Miller, and more. He brings passion and hustle to the game from the eyes of sobriety in a world so fascinated with being numb and ignoring the self-love. For him, it's rap bars, not alcoholic bars. Healthy addictions only now.
