DETROIT, MI, UNITED STATES, December 2, 2022 /EINPresswire.com/ -- National Veterans Business Development Council (NVBDC) welcomes Go Get Your You Foundation to NVBDC's Military & Veteran Organization (MVO) Task Force. Go Get Your You Foundation emerged out of a pursuit to inspire and support the community, and a desire for actions to speak louder than words. Dealing with the challenges of today requires problem-solvers who bring different perspectives and are willing to take risks and go the extra mile for veterans and their families.

Keith King, Founder & CEO, National Veteran Business Development Council (NVBDC)

Established in 2019, Go Get Your You Foundation is an organization driven by the ability to create new resources to assist the community, bold actions, and a strong foundation of support.

Sometimes all it takes to change the world is a little support. The core of their efforts is to bring fresh ideas and passion to the range of activities they are involved in for their clients. Through all their endeavors they hope to display the conviction behind their belief that their clients should never have to ask for anything.

Their Mission

To aide and assist minority women, single parents, dependents and at risk homeless and their families and small business owners targeting, but not limited to Veterans; with resources,

support through client-based tools and by partnering with local businesses and organizations to fulfill their mission. All their efforts are through outreach events within their communities.

Go Get Your You Foundation establishes situational needs, provides hands on program-based consultation, education and support from start to finish. They raise awareness about their efforts and programs through community outreach events, fundraisers, small business local support as well as youth programs.
