

# Team Belleza Wins the First Pinoy Basketball Tournament in Spain

*After weeks of intense basketball matches, Team Belleza emerged as the champion in the 2022 Pinoy Basketball Tournament in Madrid.*

MADRID, SPAIN, December 7, 2022 /EINPresswire.com/ -- Team Belleza closed the First Pinoy Basketball Tournament on November 6 by winning against Team Cobra Kai on a score of 85-67.

The finals held in Calle de Baracelo 6 was a heated match as both teams battled for the championship. However, Team Belleza's excellent shooting and ball-handling skills eventually proved too much for Team Cobra Kai to handle.

Team Belleza also had a strong showing throughout the tourney, sweeping through most of their opponents easily. With their quick passing and accurate shooting, it was no surprise that they emerged victorious in the end.

The Team Belleza players were ecstatic at the end of the match, hugging and celebrating their victory. They received a trophy and cash prizes for their hard work.

## More Awards and Recognitions

The finals also handed more awards. Emy Recabar Gadia took home the Best Muse for Team Batangas Blades. Muses of Teams Illuxion and Los Amigos, Judeline Baldos Diggay and Angel Keana Matnog Gime, received consolation prizes, respectively.

The champion Team Belleza, Cobra Kai, and other winners posed after a weeks-long battle in the 2022 Pinoy Basketball Tournament. The competition was sponsored by ESTE Travel & Tours, a Filipino-owned travel agency in Madrid.

The tournament also heralded Jerome Recomeo as the Most Valuable Player (MVP). He also completed the Mythical Five, along with Glen Rosario, Jay de Ocampo, Kim Audrey Agrano, and Ruben Escobar.

"The tournament was long and exhausting but was also greatly rewarding. I have finally achieved one of my goals: unite the Filipinos in Madrid. I am humbled by the efforts of everyone who participated," said Tesa Malalo-an Fabiosa, CEO of ESTE Travel & Tours, the competition's major sponsor and organizer.

One of these is the European Filipino basketball game, which could happen during the first quarter of 2023. So far, the team behind the recent tournament has already contacted representatives from countries such as Italy, the Netherlands, France, and the UK. Some consulates and Filipino teams also expressed their interest in participating.

Another round of the Pinoy Basketball Tournament could also happen in Madrid this summer.

While most are still in the planning stages, these events could possibly become a staple in the Filipino basketball community.

"I'm very excited about the next tournaments. It will be a great opportunity to bring together Filipinos from different parts of Europe and celebrate our shared heritage and values," said Ms. Malalo-an Fabiosa.
