Today, businesses have unlimited choices when evaluating new technology platforms. UCC Networks empowers businesses with proven RFX solutions to make the right vendor selection.

UCC Networks introduces RFX services - the simplest way to create, manage, and execute RFPs, RFQs and RFIs. Specialty services include Cloud Calling, MS Teams Calling, Contact Center Solutions, Voice & Toll-Free, POTS line Alternatives, Conferencing Services, and Hardware.

Simplify the buying experience with a custom tailored RFP, RFQ, or RFI.

RFP - Request for Proposal

- Announce a project to solicit competitive bids
- Assess vendors and proposed solutions
- UCC Networks creates customized requests for proposals, communicates with vendors, and compiles tailored solutions to give businesses clear options

RFQ - Request for Quotation

- Compare prices to meet specific requirements
- Quick selection process focused on cost
- UCC Networks composes and oversees the process of reviewing vendor quotes to meet specific needs on price

RFI - Request for Information

- General questions to educate and inform
- Intended to narrow down a list of candidates
- UCC Networks generates a request to gather information and identify potential vendors

We align our service delivery model to assist our customers in achieving digital transformation yielding a return on investment.

For a limited time, get a Free RFP, RFQ, or RFI engagement from our 200 + approved technology suppliers.
