Easy Watercolor [Galaxy Forest Painting](#) Tutorial

This exciting tutorial will show one how to paint a galaxy forest painting in watercolor. The first step is to sketch a forest scene onto the watercolor paper. Once sketch is ready, one will need to choose the colors. For this project one will need a blue, purple, and pink. Someone can either use three different shades of each color, or two shades of each color and one white.

Beautiful butterfly mandala art for beginners

Mandalas are beautiful pieces of art that can be created by anyone, even beginners. They are typically circular in shape and can be filled with intricate patterns and colors. Mandalas can be used as a form of meditation, as they can help to focus the mind and bring about a sense of calm. [Creating mandalas](#) can also be a fun and relaxing activity, perfect for unwinding after a long day.

Createnetic is the perfect place for art-loving folks to get their fix of beautiful hand-drawn art. With a variety of different kinds of drawings, there is something for everyone to enjoy. And if someone is short on time, our tutorials are the perfect way to learn about the different techniques used to create these works of art.
