

# Center for Pet Safety Awards a 5 Star Crash Test Rating to Säker's Ascension Harness

*Säker's new safety harness earns Top Honors from Center for Pet Safety*

WASHINGTON, DC, UNITED STATES, December 6, 2022 /EINPresswire.com/ -- [Center for Pet Safety](#), the 501(c)(3) research and consumer advocacy organization dedicated to consumer and companion animal safety, today awarded the Ascension Harness by Säker a 5 Star Crash Test Rating.

CPS is leading the first scientific approach to pet product safety and the Harness Crash Test Protocol and Rating System provides essential guidelines for pet product manufacturers. The test protocol, which is a result of the 2013 Harness Crashworthiness Study, conducted by Center for Pet Safety outlines a consistent test methodology and evaluation program to ensure pet travel harnesses offer crash protection.

"The Ascension harness was an obvious labor of love for Säker", said Lindsey Wolko, Center for Pet Safety founder. "We welcome pet product brands when they step forward to participate in this important independent certification program. Achieving CPS Certification is meaningful to pet owners."

Center for Pet Safety encourages manufacturers interested in participating in this rigorous testing and performance program to contact [Info@CenterForPetSafety.org](mailto:Info@CenterForPetSafety.org) or call 800.324.3659.
